

WINECHATS

with Bildo & Lindalin

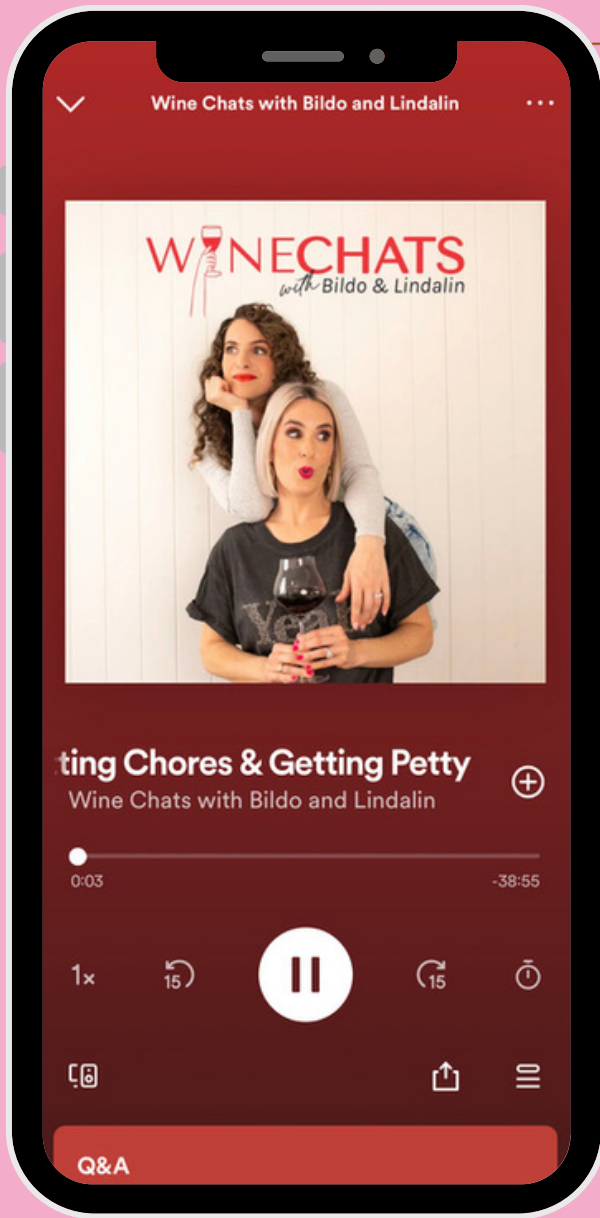

AN OFFENSIVELY FUNNY
PODCAST ABOUT DRINKING
WINE & CHATTING LIFE

Wine Chats with Bildo & Lindalin is an independently produced comedy/lifestyle podcast created by us, Billi 'Bildo' Milovanovic & Lyndsey 'Lindalin' Kirkwood.

Now, we are not sommeliers – but we refuse to see that as a flaw! We are everyday people who order the house white with pride – and offer our honest opinions about marriage, sex, relationships, parenthood, as well as the week's top talking points.

What sets us apart? Our friendship! With 13 years of chat experience, our conversations are real, raw and honest. True best friends style that will make you feel like you're part of our tribe while listening.
